

ACTIV DT Riser

A M Q

Optional keyboard tray attachment

Optional dual monitor mounts

ACTIV DT Riser | height adjustable desktop converter

Our electric height adjustable desktop riser offers the easiest, fastest and most affordable way to convert a static desk environment to a height adjustable one. Simply add the DT Riser to any worksurface for instant sit-to-stand functionality. Compact footprint conserves desk space while the quiet motor rises 1.2 inches per second. Functional enhancements are integrated USB charging and push button digital handset with two memory presets. Safety features include anti-collision technology and UL listed electrical components. Available in Black or White finish.

Optional components include dual monitor mounts and snap-in keyboard attachment. Ships in just 5 days. Download the full specs at amqsolutions.com.
