

# ICON Case Study

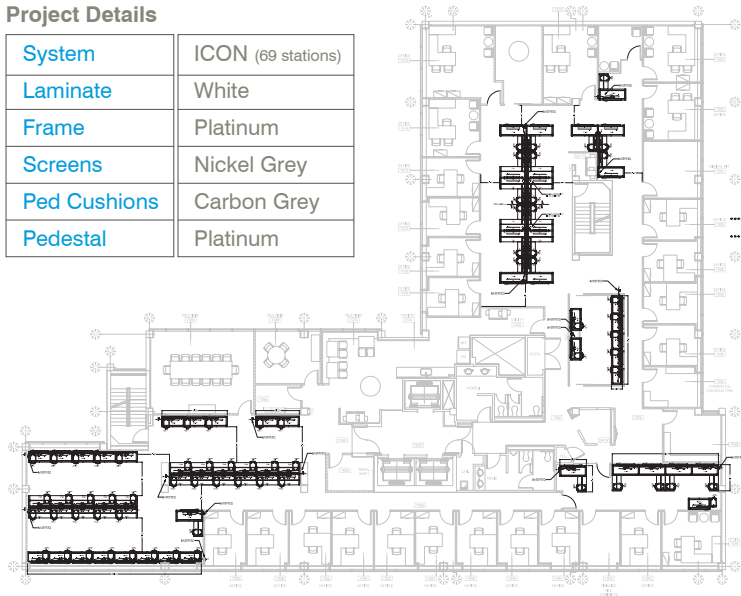

**“Our client is an innovative and hip company, so our challenge was to find a product that met their clean and modern aesthetic while accommodating a fast turnaround and budget considerations. AMQ met all of these requirements.”**

– Paula Dill, Business Development Manager IOS Inc.

## Revolt Media

Revolt is a music and entertainment online TV/blog. Co-founded by Sean Combs, Revolt engages young adults/Millennials with their passion for music, contemporary artists and the culture surrounding them. Innovative and on the edge, Revolt brings programming to youth that can't be found in any other media. <http://revolt.tv>.

AMQ's ICON benching in sleek white worksurfaces and soft, Nickel Grey screens complements their bold red accent wall and seating.
